!WARNING

IMPORTANT: Read the instructions carefully before use and keep for future reference.

WARNING: This product is only suitable for a child who can not sit up unaided.

WARNING: Only use on a firm, horizontal lever and dry surface.

WARNING: Do not let other children play unattended near the product.

WARNING: Do not use it, if any part of is broken, torn or missing.

Only use the replacement parts supplier or approved by the manufacturer.

Do not use the product near heat sources, open flames or dangerous objects that are within reach of the child.

Do not add any mattresses are not approved by the manufacturer.

Before carrying and lifting, make sure that the handle is in the correct position of use.

It could be dangerous to leave your child unattended.

Assembly and preparation of the item must be carried out by adults.

Before use, make sure that all of the attachment mechanisms are connected properly.

Do not insert the fingers into the mechanisms.

It could be dangerous to use accessories which are not approved by the manufacturer.

This product is designed for the children from birth up to a weight of 9 kg.

Take care when adjusting the mechanisms (handle, backrest) with the child present.

Regularly check the handle (or the handles) and the bottom of the carriage to make sure that there are no signs of breakage or damage.

Instructions for use

1. **OPENING THE CARRYCOT:** Turn the handle of carrycot upwards.
2. To open and lock the base in the open position, move the sliders from the centre of the base towards the two extremities (fig. a) until they click into place (fig. b).
3. **HOOD:** On the opening zip, a mesh insert allows the parent to monitor the baby (fig. a).
4. **COVER:** Place the cover over the carrycot; fasten the zip around.
5. **HANDLE:** The handle is only locked in the vertical position (fig. a). To lower the handle, press the two side buttons simultaneously and push it downwards (fig. b). The handle is useful to carry the SPAZIO and fasten it onto the chassis (fig. c).
6. **ROCKING POSITION:** The base of the carrycot has a shape that allows you to rock your child when placed on the flat surface.
7. **SLEEPING POSITION:** To turn the carrycot into a non-rocking cradle, extract the 4 feet positioned under the base.
8. **ADJUSTING THE BACKREST:** The backrest can be adjustable into 3 positions. Just open act under the backrest.
9. **CLOSING THE CARRYCOT:** The carrycot can be closed to reduce its bulk. Press and push the tabs of the sliders beneath the base of the carrycot (fig. a) and move them simultaneously towards the centre of the base (fig. b).
10. Rotate the handle downwards, pressing the two side buttons simultaneously.

Spazio System

11. The carrycot can be fixed on the stroller or chassis.

To fasten the carrycot, position it on the chassis and press down with both hands until it clicks.

Always enable the brake on the chassis before fastening and unfastening the carry cot.

Ensure the carrycot is properly fastened.

To release it, pull the lever out (arrow _a) and lift the carrycot.

Removing the padding

12. To remove the padding of the carrycot:

- Release the cover and remove it
- Inside the carrycot, open the zip all around (fig.a) and open the two zips as shown in figure b and c, in order to remove the padding.

Padding cleaning instructions

Brush the fabric parts to remove dust and hand wash at a maximum temperature of 30° without wringing.

Do not use chlorine bleach.

Do not iron.

Do not dry clean

Do not remove stains with solvents and do not tumble dry.

There are five symbols at the end of the manual.

Product cleaning

This product requires a small amount of maintenance.

Cleaning and maintenance must only be carried out by adults.

Keep all moving parts clean and if necessary lubricate them with light oil.

Clean the plastic parts periodically with a damp cloth. Do not use solvents or similar substances.

Brush the fabric parts to remove dust.

Protect the product from atmospheric agents: humidity, rain or snow. Extended exposure to sunshine can cause color changes in many materials.

Store the product in a dry environment.

Accessories

BAG: Satchel with pad for changing baby's diaper. Fasten to the chassis.
